

# **THE** DELL LOY **HANSEN FAMILY** FOUNDATION

**THE DLHF FOUNDATION** vision is to improve and enrich our Utah communities by creating a platform of opportunity.

**THE HANSEN FAMILY** of seven daughters, three sons, and 34 grandchildren are the next generation(s) affirming Mr. Hansen's values through charitable giving.

**AS AN INVITATION-ONLY FOUNDATION**, we seek to differentiate ourselves from other foundations by being attuned to the immediate suffering of the individual rather than just an organizations' need.

**WE AIM TO FIND** individuals who are working towards improving our community, making education more accessible and empowering teachers, helping affirm the dignity of individuals, amplifying Utah's arts and culture, protecting our environment through conservation and preservation, and providing care within our wellness industries.

“The only wealth you will keep forever is the  
wealth you give away.”
